TAKES PLACE AT THE COURT OF JUSTICE OF THE EUROPEAN  
COMMUNITIES, LUXEMBOURG ON 31 MARCH 2006**

Law students who have made their way through a tough selection among 82 teams since September when the competition was launched will today plead before panels composed of Members of the Court of Justice, Court of First Instance and Civil Service Tribunal of the European Union. The competing teams competing today represent 7 universities from 6 different countries.

They won their respective Regional Finals which were held in February in Dublin, Ljubljana, Boston and Bratislava.

The Final is the last stage of this year's competition in the world's largest Moot Court in European law. The winners will receive various prizes, including internships with European Institutions or highly respected law firms specialised in European law.
